

WORKPLACE SKILLS ACCELERATOR

Option 2

Bespoke Training Plus Implementation Support

THE PROBLEM WE SOLVE

Many organisations invest in training but struggle to achieve long-term behavioural change.

Employees attend training

Employees return to work

Employees fall back into old habits

Knowledge fades and adoption stalls.

The Workplace Skills Accelerator bridges the gap between learning and implementation

WHAT YOUR ORGANISATION GETS

- ✓ Discovery consultation
- ✓ Bespoke training design
- ✓ Customised training materials
- ✓ Live training delivery
- ✓ Session recording

Live, bespoke training delivered at beginner, intermediate or advanced level, designed specifically around your team's needs. No generic content - just practical, hands-on sessions.

Following the live training programme, participants gain 12 months' access to a B2B Workplace Learning Hub designed specifically for Smart Skills Academy's corporate clients.

B2B WORKPLACE LEARNING HUB

- ✓ Excel, Word, PowerPoint and AI Training
- ✓ Microsoft Shortcut guides
- ✓ Fortnightly live sessions with Gemma Coles
- ✓ AI prompt packs
- ✓ Ongoing skill boosters
- ✓ Productivity Resources
- ✓ Replay library
- ✓ Microsoft & AI update briefings

OUTCOMES

Greater training retention

Improved employee confidence

Faster implementation of new skills

Increased productivity

Stronger Return on training investment

PRACTICAL TRAINING. REAL IMPACT
